

Bozz Speed - English Sales

Thank you for your interest in Bozz Speed, we look forward to being of service to you.

We welcome enquires from non-Japanese speaking clients either within Japan or from other countries, to provide such clients with the best possible service we have a **native English-speaking** consultant available for you to contact.

For more than twenty years Bozz Speed have built an impressive worldwide reputation by offering top quality car tuning services. We pride ourselves with treating all clients with honesty and integrity and are committed to continuing our professional reputation.

Some of the services we are pleased to offer you include:

- The supply of all top brands of JDM Performance Car Parts.
- Hi performance engine building, complete engines or shortblocks.
- On site custom tuning and car setup / track testing.

For initial contact and discussion on how we may best serve your needs please contact our native English consultant using the following e-mail derek@bozz.co.jp
